## APCD PERMIT CONTACTS

---

Use this form to add, or modify, the contact information associated with your permit application or an existing permit. This form may not be used as the sole document for ownership change.

For existing permit(s) indicate which permit number(s) is affected: \_\_\_\_\_

Every permit requires contacts in several categories. The contact categories are:

- Owner – Permit Holder
- Facility – Facility Operations or Engineering
- Billing – Accounts Payable Processing
- Inspection – Access/Escort for Inspection

The permit holder/owner is assumed to be the contact in all of the above categories unless the District is otherwise informed.

For Facility and Inspection contacts make sure the telephone number information is current and valid.

In the Owner category use this form to make only minor changes: phone numbers, email, etc. Use the Change of Ownership/Name/Address form for ownership changes.

You may provide additional contact information, such as cell phones, FAX numbers, or email, as you desire.
